From the Potentate..

The month of February is gone and March is upon us. At the time I'm writing this message, flowers are blooming around due to the unusual warm weather outside. But let's not forget that we are still in Winter season so we may see some colder weather before Spring officially rolls in.

At our February meeting, we welcomed two new members, one associate member, and one new member that joined us through a demit. It is great to see growth each month. Also at our last stated meeting, we heard from our Nobles that are part of the Shriner Legacy program. Each told of their Shrine "roots" and it was great to see the history being told.

Effective with the close of the month of February, the church that had been our tenant for roughly eight years, has vacated our facility. For many years, they had provided us with a steady income while they in turn were saving for the day to eventually have their own place. That day is here. They have moved on and now we are able to regain much needed space for our property in the temple. This also provides a new option for us as Sundays are now available for clients to rent. The leadership team realizes this impacts an unexpeted short fall in immediate income for Amran, but we are also optimistic that this new opportunity will in the long run benefit your Shrine temple. Help us promote our facility for rental purposes.

I am designating March as Shrine-Mason month. At our March stated meeting on March 22, I am encouraging you to bring with you at least one non Shriner that is a current Master Mason or one that is progressing through their lodge work. Invite them out to our gathering, introduce them around, and let's get them interested in our work. Keep in mind that ONE + One = GROWTH.

On March 10-11, Shriners Days at our Greenville hospital will once again be a highlight as most of the Divan and other members will converge at the hospital to gain an insight on the great work over the past year and see first hand the equipment and success of our hard work. I encourage you to attend.

Potentate Message - Page 2

Within this newsletter is a flyer for our April 8 “The Not So Newlywed Game” and the contestants that have volunteered to be the featured. We will have a BBQ dinner with drinks (adult beverages, soda, tea, water). Make plans to come out and support your favorite contestants. Do they really know each other? We will find out. Cost to attend is a donation made at the door. Support your Amran Temple and come out for laughter and a good time. Bring the kids. We’ll have the conference room setup for them to have fun too.

The RED FEZ Ball is April 29 featuring The Pizazz Band. Purchase your tickets (\$35 person) from any elected Divan member or buy directly from our Amran Shriners mobile app and your personalized ticket will instantly be emailed to you. A buffet meal will also be served. Drinks will be available too.

IMPORTANT. If you have NOT received a phone tree message this year, please update your information with our office or through your WebFez account. The phone tree is an integral part of our communication to you. If you only have a cell phone, please make sure this is listed as your home phone number. Visit your WebFez account and make your corrections.

Georgia and I look forward to seeing you as we travel throughout Amran jurisdiction.

2017 SHRINE BOWL OF THE CAROLINAS QUEEN ANNOUNCED

On Saturday, February 11, Ill. Sir Kevin Hall announced his selection for the 2017 Shrine Bowl of the Carolinas Queen. In a brief ceremony held at Amran Temple, six year old Ellie Long was introduced as the Queen for this years Shrine Bowl game that will be played on December 16 in Spartanburg, SC.

After an initial introduction explaining what the Shrine Bowl of the Carolinas was about, Ill. Sir Hall turned the program over to Ellie's mother. Mrs. Lori Western showed two videos that showed Ellie from an infant to present day success as a Shriners Hospitals for Children patient. For a parent who was told that her child may never walk, Mrs. Western expressed much gratitude to all that have helped Ellie become the active girl she is today.

Soon after, the potentate presented Ellie with the robe and tiara for her reign as the Shrine Bowl of the Carolinas Queen for this year.

Afterwards, a reception was given with food provided by the Triangle Shrinettes.

Ellie will be featured on game day during pre-game activities at Wofford College where the game is played. The potentate encourages all Nobles to attend the game in support of Ellie and our Shriners Hospitals for Children-Greenville.

Any club or unit that would like to have Ellie and her mom present at a fundraiser in support of the hospitals, notify Ill. Sir Kevin Hall so arrangements can be made.

**SHRINE FUNDRAISING
POLICIES & PROCEDURES
SHRINE FUNDRAISING**

INTRODUCTION

Because Shriners have been the driving force behind Shriners Hospitals for Children, it has become natural to associate the Fez with this charity. However, Shriners International and Shriners Hospitals for Children are separate and distinct legal corporations. Shriners Hospitals for Children is incorporated in the state of Colorado, and it operates 22 hospitals. Its purpose is to provide medical care to children with disabilities without regard to race, creed, sect or nationality. This is the Charitable corporation. Shriners International is incorporated in the state of Iowa, and it presently has 195 unincorporated fraternal associations in Canada, Mexico, the United States and Republic of Panama. We know them as Shrine Temples. This is the Fraternal corporation. A study done by Shriners International Headquarters found that Shrine Temples conduct more than 2,000 fundraising activities annually. Many of these fundraisers are strictly for the Temples – and this is perfectly acceptable. Other fundraising activities are for the benefit of Shriners Hospitals for Children – and this is also perfectly acceptable. However, the individual purchasing a ticket, product, etc., or the donor, should be advised, in advance, how the proceeds will be used. This pamphlet is intended to provide guidance to the Temples, units, clubs and Nobles in their fundraising activities so there can be no criticism directed at them that the solicitation did not conform to the requirements of the law or was deceptive or misleading.

TYPES OF FUNDRAISERS

There are two types of Shrine fundraisers – Charitable and Fraternal. **CHARITABLE FUNDRAISERS** – Where 100 percent of the net proceeds benefit Shriners Hospitals for

Children. **FRATERNAL FUNDRAISERS** – Where the net proceeds benefit the Temple, which in turn may distribute them as it sees fit. For example, profits may be disbursed to the Temple general fund, a building fund, to clubs and/or units, to Shriners Hospitals for Children, to local community or Masonic related projects (DeMolay, Masonic Home, etc.) or any combination thereof.

PROCEDURES THAT APPLY TO ALL SHRINE FUNDRAISING ACTIVITIES All fundraising must comply with the law of the land; that is, the law of the jurisdiction where the activity takes place. This includes national, state or province, and local laws. The use of the name Shriners Hospitals is governed by §503.10 of the bylaws of Shriners Hospitals. All fundraising is governed by General Orders as may be issued on that subject by the Imperial Potentate. Insurance. Your attention is particularly called to that portion of the existing General Order #1 pertaining to insurance. Strict compliance is required. All contracts must be reviewed and approved by the Temple Potentate after receiving the advice of the Temple attorney. All fundraising promotional materials (including Temple publications) must include a statement indicating the major entity benefited by the funds [Statement of Purpose].

STATEMENTS OF PURPOSE All fundraising promotional materials must contain a **STATEMENT OF PURPOSE**. Below are examples for each type of fundraising activity.

FOR CHARITABLE FUNDRAISERS: “Net proceeds from this (activity, event, etc.) are for the benefit of Shriners Hospitals for Children.”

FOR FRATERNAL FUNDRAISERS: “Net proceeds from this (activity, event, etc.) are for the benefit of XYZ Temple/Unit/Shrine Club.”

DISCLOSURE (for Fraternal fundraisers)
“Payments are not deductible as charitable contributions.”

NOTE: All fraternal fundraising materials must include both the statement of purpose and disclosure.

CHARITABLE FUNDRAISERS It should be emphasized at this point that a Noble (in his capacity as a Shriner), a Shrine Temple/unit, an organization of Nobles, or affiliated/appendant corporations SHALL NOT engage in any charitable fundraising effort other than for the benefit of Shriners Hospitals for Children. When a decision is made to conduct a charitable fundraiser, the responsible Noble (club/unit president, committee chairman, etc...) must submit a written request to the Temple Potentate having jurisdiction thereof. If he approves, the Potentate must then obtain the written consent of the Imperial Potentate and Chairman of the Board of Trustees. This request shall be sent to the Executive Vice President – Imperial Council, Shriners International Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356. **Final approval for a charitable fundraising activity is effective upon the Temple's receipt of a Charity Activity Form.** If a request is denied by the Imperial Potentate and Chairman of the Board of Trustees, the Temple Potentate will receive a full explanation in writing. One hundred percent of the net proceeds from charitable fundraisers must be given to Shriners Hospitals for Children. Expenses for operating the event must be actual, and no labor charges can be made for volunteer work by Shriners and/or their families. Under certain conditions, existing General Orders allow the use of a portion of funds raised for the hospitals to be used for patient transportation. All solicitation materials, tickets, programs and documents must include factual information (Statement of Purpose) regarding use of the proceeds. Information about our hospitals (obtainable from the Imperial Public Relations Department), such as patient success stories, facts and figures, photos or other appropriate material, may be used in programs for charitable fundraisers. The Temple shall report the results of each charitable fundraising activity within 60

days of the activity to Shriners Hospitals for Children on the Charity Activity Form provided to the Temple. A Temple that fails to remit the net proceeds within 60 days of the activity shall be assessed interest retroactive to the date of the activity. The Temple shall maintain detailed financial records of all fundraising activities involving Nobles, clubs, units, organizations of Nobles or affiliated / appendant corporations for a period of seven years. Details of all revenues and disbursements shall be maintained in such financial records. State Solicitation Laws: Some states have solicitation laws that may require Shrine compliance. Temples must have their attorney review such laws. By way of example, the State of Florida requires that the following statement be included in all printed solicitation materials, receipts, written confirmation, or reminders of contributions soliciting charitable contributions for Shriners Hospitals. The statement must be conspicuously displayed in all capital letters. SHRINERS HOSPITALS FOR CHILDREN ARE DULY REGISTERED WITH THE STATE OF FLORIDA AS REQUIRED BY ITS SOLICITATION OF CONTRIBUTIONS ACT. THEIR REGISTRATION NUMBER IS CH 433. A COPY OF THE OFFICIAL REGISTRATION AND FINANCIAL INFORMATION MAY BE OBTAINED FROM THE DIVISION OF CONSUMER SERVICES BY CALLING TOLL-FREE 1-800-435- 7352 WITHIN THE STATE. REGISTRATION DOES NOT IMPLY ENDORSEMENT, APPROVAL OR RECOMMENDATION BY THE STATE.

FRATERNAL FUNDRAISERS

A Noble (in his capacity as a Shriner), or a Shrine Temple/ club/unit, or an organization of Nobles or affiliated/ appendant corporations must obtain the prior written consent of the Temple Potentate having jurisdiction thereof before engaging in any fundraising activity. There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children. When the Potentate gives his written consent for a fraternal fundraising activity, a copy of the same shall be mailed to the Executive Vice President – Imperial Council. Further, any printed materials pertaining to the fundraising activity shall be sent to Executive Vice President, Imperial Council if so requested. All promotional material, tickets, programs and documents must contain a Statement of Purpose and Disclosure. Information about our hospitals may be used in programs for fraternal fundraisers provided that each contains the appropriate Statement of Purpose and Disclosure. This information must appear in conspicuous location used lettering bold enough to be easily read. Programs and other 'booklet' type materials must include the Statement of Purpose and Disclosure on the front cover or the first page. The Statement of Purpose and Disclosure should also be included as a part of each fundraising activity advertised in Temple publications. The Temple shall maintain detailed financial records of all fundraising activities involving Nobles, clubs, units, and organizations, of Nobles or

This is a wonderful way for us to promote our hospitals and it's **FUN**.

Proceeds from the sales of the music CD's support our Shriners Hospitals for Children-Greenville location. Nobles and ladies can both participate as this is a 2 per team effort when selling. We have always had a good time at other concerts doing this fundraiser.

Right now only 40 volunteers are needed to fully staff our team and maybe more if the tour is successful prior to coming to Raleigh. If you would like to get on the volunteer list to help at this event, contact Noble Kyle Carlson at rescue5296@aol.com.
